Dear Sir.

The day before yesterday I received your favour of the 16 July.
Your son Mr. Neishant has just been with me, to apprise me
that he will leave this in a day or two, to join you, of which I take
advantage to write to you to reply to your favour.

I have some time since forwarded to you copies of the
declaration of trust &c and will send in my next copies of the Ex-
penditure of 32, 33, & 34 when completed. At present the
advances of Hon. Biddle & Co. are still increasing to the Com-
pany as their coal does as yet meet a ready sale and I fear it
will not until times improve. Then I hope the public will feel
disposed to subscribe to the Philadelphia & Reading Railroad, and
thus open a continued line from our mines to this city, if we
should think proper to extend our railroad to Reading.

To enable you to receive the sums you wish to obtain on your
lands, as stated in the Bill of Sale you made to Hon. Biddle
& Co. It will be merely necessary for you to send out a full power
of attorney to that effect, authorizing them on your behalf to
execute all such acts as may be requisite to carry the pre-
mises into effect, ~~authorizing them~~ which can be duly arranged
by you applying to a Notary public, who will direct you
